

IALI IS MORE THAN WORK

Instrumentalist Verse

**We travelled down under in 2008
Where our conference was held in old Adelaide
Where the food and the wine left no room for dessert
IALI is more than work**

**We'll be together in Geneva this year
The wine want be d'Arry's or a cold Cooper's Beer
But our labour inspectors will never shirk
IALI is more than work**

Instrumentalist Verse

**Keeping you safe is our priority
Occ Health & Safety keeps the workplace stress free
So put on your hard hat and fluorescent shirt
IALI is more than (repeat)
IALI is more than work (repeat)**
