For help to complete this form, please refer to the Guide For Applicants - For Plant Design Registration available www.safework.sa.gov.au	at
1. FORM INSTRUCTIONS	
Technical standards may be used throughout this form to identify individual plant or set plant assessment criteria. Che design complies with these requirements before submitting this form to the regulator.	neck that the plant
2. APPLICATION TYPE	
Please tick applicable box: New Design	
3. APPLICANT DETAILS	
Please tick if you reside outside of South Australia. Please also attach a supporting letter explaining circums the grant of registration (Section 256 of the Work Health and Safety Regulations 2012 SA). ABN (Australian Business Number) Registered name of body corporate Business registration (trading) name Name of individual applicant or contact person for body corporate: Family Name Given Name(s) Address Details	Title Postcode
Postal Address (Please print 'AS ABOVE' if the same as above)	Postcode
Telephone No. Mobile No. Email	
4. PLANT DESIGN INFORMATION	
Name or description of Plant (including Plant type) Model Number	
Month / Year of Design or Alteration	

5.	REPRESENTATION DRAWING INFORMATION
	See Part 10 Supporting Documentation for more information)
	Full Title(s) Drawing Number(s) Revision Number(s)
6.	PREFABRICATED SCAFFOLDING DETAILS
	Rated load per bay kg Maximum height m
	Design duty loading according to AS 1576: Heavy Medium Light Special
	Maximum number of planked platforms at the maximum working height
	Maximum number of planked platforms that can be loaded at the same time at the maximum working height for:
	Heavy duty loads Light duty loads Light duty loads
7.	DESIGNER'S STATEMENT / DECLARATION
	Please tick applicable box:
	Designer is located overseas: Please include a separate statement, signed and dated from the plant designer and must be submitted with this application form. The statement must be in English or translated into English.
	(See Part 10 Supporting Documentation)
	The plant designer no longer exist or is unable to provide a signed and dated statement: A letter detailing steps taken to
	── contact the designer and a declaration must be completed by the Importer. (See Part 10 Supporting Documentation)
