I Jamie Mosman am of the opinion that the PCBU has contravened the WHS legislation relating to:		
Contravention	More information	Was the contravention rectified?
Not maintaining safe systems of work	No accommodations are made during extreme heat. Workers reported requesting extra breaks in extreme heat and were denied; budget allows only 2 workers on duty, hindering breaks rotation. No lighter duties permitted during extreme heat; 10 pallets arrived 23/1/24, expected unpacking by end of day. Fans not permitted as per Area Manager's instruction. Small, ineffective portable air-con at front desk.	No
Not maintaining a safe work environment	Store hotter than outside (29°C). Insufficient air-conditioner, readings: <ul style="list-style-type: none"><li>• Front door: 31</li><li>• Craft corner: 36.4</li><li>• Travel bags: 36.5</li><li>• Back dock: 36.2</li><li>• Staff room: 36.2</li></ul> Switching on air-con requires worker to climb and remove ceiling tile. Workers tracking temps since	No

	13/1/24: Avg. morning 27.8, arvo 31. Issue first raised 2 years ago. Reported again most recently via email on the 5/1/24 to Area Manager.	
Inadequate monitoring of the health of workers and the conditions at the workplace	2 incidents due to heat stress have been logged internally. Workers reported approx. every 4th customer complains about heat. Workers reported feeling unsafe, breathless, and faint with headaches often. Workers reported scheduling leave when predicted heat wave upcoming.	<b>No</b>
