I Belinda Heard am of the opinion that the PCBU has contravened the WHS legislation relating to:		
Contravention	More information	Was the contravention rectified?
Not maintaining safe systems of work	Rostering practices often leave one team member on alone. Security concerns, often antisocial behaviour from groups of customers. They come in groups and smash and throw stock. Workers reported assault occurred last week. Customer abuse often occurs. One pedestrian access point, team will lock the door when the group are approaching, but secondary exit roller door is sometimes open. Duress button available at register.	No
Not maintaining a safe work environment	The air-conditioner was working well on site. New manager at the site. No reports of unsafe manual handling practices.	Yes
