I Jamie Mosman am of the opinion that the PCBU has contravened the WHS legislation relating to:		
Contravention	More information	Was the contravention rectified?
Not maintaining a safe work environment	Inefficient AC: Outdoor 25°C, on-site temps at approx. 4:15pm— grill area 38.4, wash-up area 31, near fryer 33.8, office 33.1, service 30.6. Workers reported excessive sweating, resorting to sitting in fridge when overheating. Management raised concerns to the franchisee fortnightly since Oct 2023, with no action. Only accommodation for hot weather is to allow workers to have drink bottles near kitchen. Service staff have some airflow, but kitchen ventilation remains poor.	No
