WRITTEN PLAN - FIREWORKS DISPLAY SITE PLAN (or use a separate sheet of paper)

Indicate the following on the plan:

- Compass North
- Firing points for fireworks and the Prohibited Area (includes firing points and debris fall-out area)
- Spectator viewing area and distance to firing points
- Crowd control measures (eg. barriers, fences, security guards etc)
- Nearby buildings or structures and their purposes (eg. shop, office, warehouse, school, garage, tent etc) and distance to firing points
- Nature of the site and land use (open land, sporting ovals, parklands etc). Distance to fire hazards.
- Nearest residence and distance to firing points

An application for an exempt display permit must be accompanied by:

- ◆ Evidence that the person who owns or has the care, control or management of the land has consented to the use of the land for a firework display.
- ◆ In the case of a display involving the use of string crackers, evidence that the display is for a cultural or religious ceremony or celebration.
- ◆ During the fire danger season, a Schedule 9 Permit under the Country Fires Act.
- ◆ A written plan including a site diagram of the display area, indicating the prohibited area, the audience viewing area, the firework firing site(s), any firework storage area, the immediately adjoining properties and their nature, any nearby protected place or protected work;
 - ***protected place***: means a sensitive establishment, such as a hospital, nursing home, health care facility, school, church, place of public assembly, area of intensive animal husbandry, animal shelter, aviary, menagerie, zoo etc.
 - ***protected work***: means a dangerous goods store, such as for storage of flammable liquids, explosives etc
- ◆ A list of the types of fireworks to be used in display (include the size and quantity of each type)
- ◆ Evidence of age of the applicant.
- ◆ A National Police Certificate (Clearance Certificate) available from your local police station.
